Inside The Numbers

Despite throwing 826 punches- 196 more than Sanmartin, Pierce only landed 24 more punches than Sanmartin- all power punches. Pierce landed the harder punches throughout the fight, and seemed to knock Sanmartin out with a body punch in the fourth round, but the referee ruled that that the punch that downed Sanmartin was a low blow. Sanmartin fought well in spurts, but he could not overcome Pierce averaging 83 punches thrown per round. One judge scored the fight 99-91 while the other two judges scored it 97-93 all for Pierce.
