**Inside The Numbers**

Warrington did his best work in the second round when he was able to get in close and pepper Cacace with body shots. From the third round on, Cacace found his range. At the midway point, both combatants had landed 51 power punches. By the end of the fight, Cacace held a 14 power punch landed advantage. The scores were wide- 118-110, and 117-111 twice, all for Cacace.
