Inside The Numbers

Great and historic performance by Bud, moving up to super middleweight and defeating the face of boxing- Canelo. In the end, Crawford landed 115 of 534 total punches to 99 of 338 for Canelo. Crawford held the advantage in jabs connected, 45 to 16. Canelo landed 32% of his power punches after landing 46% in his previous 12 fights. Crawford was the more accurate fighter, landing 34% of his power shots. With the fight on the line, Crawford landed 39 punches in rounds 11 & 12- 32 of which were power shots. Canelo's 99 landed punches were 2nd most by a Bud opponent- Kavaliauskas' 118 landed is #1. Scores were 116-112 and 115-113 twice.
