	24.9%			16.3%				33.5%			

Inside The Numbers

Madrimov, who had been out of the ring for 11 months and is still recovering from pneumonia, seemed to tire as the fight wore on, but dominated statistically nonetheless. 48% of Madrimov's landed punches were body shots. He landed 79 more punches than Salazaar. All three judges scored the fight 99-91 for Madrimov.
