Inside The Numbers

Riakporhe was the busier, more active fighter throughout, out-landing Tshikeva 63-35. Riakporhe finished with a 31-11 edge in power punch connects. The majority of these were landed in the fifth round, when Riakporhe put Tshikeva down with a clubbing right hand. He then followed up with a barrage that Tshikeva appeared to be weathering before the referee halted the bout at 2:12 of round five.
